RENEW

STUDENT CONFERENCE

The **RENEW Student Conference** is an amazing two-day discipleship event for students in middle school and high school! Featuring strong teaching, breakout sessions, and powerful student-led worship from three different area youth ministries. With prizes, featured guests **Lara Silva** and **Caleb Castille**, and young people from around the region, it's an event you won't want to miss!

Our theme this year is **The Handoff!** Over the course of the conference, we will trace how the Gospel has been passed from the early church through every generation, helping students see themselves as part of the relay race. We'll look at how the mission began with ordinary people saying yes, talk about how unseen faithfulness is never wasted, and close with a challenge that the baton is in their hands now!

Lara Silva was born in Brazil and moved to Florida at six, where a performing arts elementary school sparked her love of acting. She's best known as Eden, Simon Peter's wife in *The Chosen*. She also starred in *Divine Influencer*, which earned her a Grace Award nomination. She loves encouraging young artists to chase their dreams and walk closer with God.

Caleb Castille played cornerback at the University of Alabama, where he won two national championships. He left football to chase acting, landing the lead role in *Woodlawn*. He's also known for *NCIS: Los Angeles, Run the Race,* and *The World We Make*. Through it all, he has kept his faith first. He loves challenging students to live boldly for Jesus.
