## STUDENT CONFERENCE

The **RENEW Student Conference** is a two-day event designed for students in middle school through high school! The conference features guest speaker David Akers, strong teaching, powerful student led worship, breakout sessions and discussion prompts for students and leaders. With prizes, an amazing show Friday night with Brandon Leake, and students from around the region, it's an event you won't want to miss!

Our theme for this year is **EXCHANGE!** We will be exploring what it means to see everything through the lens of Jesus' ultimate exchange, what it looks like to truly follow Him. Young people will discover how much they stand to gain through exchanging Death for Life, Self for Christ, and Comfort for Calling. It's time to embrace the power of the exchanged life today!
