RENEW

STUDENT CONFERENCE

The RENEW Student Conference is a two-day event designed for students in middle school through high school! The conference features strong teaching, powerful worship, breakout sessions and discussion prompts for students and leaders. With prizes, contests, an amazing magic show on Friday night, and students from around the region, it's an event you won't want to miss!

The theme for Renew 2024 is **GO!** Students will be challenged by three of Jesus' GO commands; Go and Do Likewise, Go and Sin No More, and Go and Make Disciples!

Katie Small is an artist who has traveled the world using her gifts to worship God and point others to Him. She ministers at conferences, painting on stage during the worship and messages. You can learn more about her at KatieSmallpainter.com.

Martha King is a three-time National and multi-title World Champion Lumberjill! She is driven to perfect her craft in a traditionally male-dominated sport. Martha has set several national and world records. She strives to inspire others to pursue God and to realize they don't have to fit the mold in order to dominate an industry. With faith, discipline, dedication and hard work, anything is possible!

As seen on the CW hit show "Penn & Teller: Fool Us" and with millions of views on YouTube, John Michael Hinton's unique style of close-up magic makes people doubt their senses, question their reality and search for answers. This creates an excellent platform to share love, hope and truth. To see him in action visit JohnMichaelHinton.com.
